

## **New Product Available Immediately!**

### **Low/Reverse Friction for GM 6L80E w/High Energy Eclipse™ Material**

<b>Raybestos Part Number:</b>	R558380
<b>OEM Number(s):</b>	24235460
<b>Item/Application:</b>	Low/Reverse Clutch
<b>Year Coverage:</b>	2006 – Up

#### **Features:**

- Unique blend of Kevlar®, ceramics, graphite and carbon
- High mechanical strength for greater durability
- Higher coefficient of friction than other high-energy materials
- Surface temperature tolerances as high as 800°F

#### **Benefits:**

- High thermal stability
- Quick holding and releasing of oil to inhibit glazing
- Extends transmission life
